The Easy Way To Start Your Business.

Our “Take It Easy” package is everything you need to get up and running — fast. Website. Branding. Support.

All in one affordable solution. ⚡ No stress. No hassle. Just results.

Everything You Need To Know About Take It Easy.

What is take It Easy?

Take it Easy is a website-building platform provided by Rocket Science Creative Studio. Take It Easy” means we take care of all the heavy lifting. From design to development, we handle everything so you can relax and focus on growing your business.

How is take it easy different from Wix and Shopify?

Wix and Shopify make you DIY. Take it Easy does it all for you. Unlike Wix and Shopify, Take it Easy delivers a truly personalized experience—your website is custom-designed to fit your brand, hassle-free.

We design and build it for you, with built-in SEO and fully tailored website or e Commerce solutions.

Everything You Need To Know About Take It Easy.

Who is Take it easy for?

“Take It Easy” is for businesses and individuals who want a stress-free, tailored approach to their online presence. Whether you’re a startup looking for a custom website, an established business in need of a site overhaul, or an e-commerce brand aiming for a high-performance online store, we’ve got you covered.

Do I need to be tech-savvy to use Take it Easy?

Not at all! We speak your language. Whether you’re a tech expert or a total beginner, we’ll walk you through every step of the process and make sure things run smoothly.

Everything You Need To Know About Take It Easy.

Do I need to pay for hosting separately?

Nope! Secure hosting is included with every Take it Easy websites.

Can I adjust or refresh my website's layout after it's been launched?

Sure! As long as your Take it Easy subscription is active, you can tweak, change, or even create a whole new layout whenever you like.

Everything You Need To Know About Take It Easy.

Are there any transaction fees for e Commerce?

No! Unlike Shopify, we don't take a cut of your sales.
You only pay standard payment gateway fees (Stripe, PayPal, etc.)

How long does it take to launch my website?

Basic websites: 1-2 weeks
E Commerce stores: 2-4 weeks
Custom solutions: Based on project complexity.

Key Takeaways:

Take It Easy by Rocket Science Creative Studio

Fast launches
Full professional team support
Cost control
No tech headaches
Custom, high-quality web presence

Shopify

Great for ready-to-sell e-commerce but lacks deep customization unless you pay for devs

Wix Studio

Offers big creative freedom but needs more technical skills to maximize.
